

I am a resident of Contra Costa County in CA. My family and I listen to K-LOVE 91.9 FM radio station, which is broadcast in many states throughout the US. K-LOVE is the only radio station I listen to, at home and at work (San Francisco). K-LOVE is the ONLY Christian FM radio station available in my areas. Implementing LPFM would greatly jeopardize K-LOVE's existence. K-LOVE supports wholesome values and has a positive and encouraging impact on communities across America.
